CampType = Independent  
CampType = Special Needs  
CampType = Camp for low income families  
Religions =  
Salary = 1800  
Availability =  
Position = Counselor  
Activities = Climbing  
Activities = Low Ropes  
Activities = High Ropes  
Activities = Arts and Crafts  
Activities = Canoeing  
Activities = Video production  
Activities = Office  
Activities = Guitar

OtherActivity =

Certifications = First Aid, CPR, and Belayer

Skill1 = Low Ropes, I led low ropes groups every week at Lutherdale this past summer along with using various parts of low ropes during Alpha Phi Omega activities or clubs in high school.

Skill2 = High Ropes/Climbing. This was my favorite part of being a cabin leader because this showed the most growth in the campers and nearly every week I helped kids make goals with the higher elements. I also continued belaying and encouraging kids by working at the climbing wall on my college campus.

Skill3 = I know guitar well enough to play camp songs and I can teach the basic chords to others so they can play at the same level.

Experiences = At Lutherdale I worked with ages 4 to 14. I volunteer with the confirmation program and kinetic sunday school at my church in Arlington Heights. I have approximately 20 cousins on my mother's side with the majority being between 7 and 15. I often belay birthday parties at the rock wall on campus for 3-6year olds.

Finally, I student taught a freshman choir during my senior year of high school.

Attributes = I stay dedicated and give my all no matter if it is the beginning, middle, or end of something, I am not afraid to try new things and possibly make a fool of myself, and I do my best to stay positive at all times and keep a cool head during emergencies.
