Skill1 = I have played softball my whole life. I know good techniques, the rules of the game, and learning drills. I believe I could also help with baseball camps as well. The techniques of the games are similar, with some differences.
Skill2 = I played basketball up through high schools and I know the rules, drills to help learn techniques, and good techniques to become better at the game. I have always loved playing basketball and I still play a lot today when I get the chance.
Skill3 = I played the piano up through high school. I still know how to play and I know I could teach it to children.
Experiences = I have done softball, basketball, and volleyball camps with the teams I've played on in the past. I have also worked with many tutoring programs on the middle school and high schools level as well as babysitting.

Attributes = I am a christian girl who loves children. I have two younger sisters of my own I have been taking care of my whole life so I know how to balance patients and discipline. I also find that children look up to me and I believe I am a very good role model for children. I also find myself able to fit in well with children because I have a child's heart and can appreciate the little things in life.
